a. Absent, without excuse.

The President of Synod read the following report of his official acts during the past synodical year. Referred to Committee No. 1.

President's Report.

Fathers and Brethren: By the great mercies of God we have assembled again in appointed synodical convention. Twelve months have passed in quick succession, bringing to us periods of toil and rest, triumphs and defeats, exceeding gladness, and also griefs, in His name sanctified unto us.

While there have been sickness and suffering, and we have made a year's march nearer home, yet death has not invaded our ranks. For this we praise Almighty God, who keepeth us, and we consecrate our remaining strength to the earnest work of ministering His gospel unto men.

After our custom, I herewith present a report of things done since our last convention.

INSTALLATION.

By appointment, Dr. J. H. Stough, of Midland College, on the 27th day of November, 1892, installed Rev. I. B. Heisey as pastor of the Waterville and Hebron churches.

NEW ORGANIZATION.

Rev. J. F. Sponseller, after an interesting series of meetings held at Ohio Grove, organized a church with twenty-five members on the 29th day of December, 1893. They assumed the name Grace Lutheran church. They apply for membership in this Synod, and wish to be recognized as part of the Minneapolis pastorate. You will no doubt extend them a welcoming hand and grant their prayer.

CHURCHES DEDICATED UNTO THE WORSHIP OF GOD.

St. Paul's church of Garnett, Kansas, Rev. J. Nelson Lentz, pastor, dedicated their new house of worship December 4, 1892. The pastor was assisted in this joyful event by Rev. S. B. Barnitz, D. D., of Des Moines, Ia., and Rev. Jacob A. Clutz, D. D., of Midland College. Theirs is a substantial and commodious structure, worthy of their own noble efforts and of the city, and a credit to the Evangelical Lutheran church. Bro. Lentz has proven himself a workman from the beginning of his ministry.

St. John's church of Wellington, Kansas, Rev. R. B. Whitehill, pastor, supposed their previous labors of love all lost, and their future prospects ruined forever, by the desolating storm which passed over them on the memorable 27th day of May, 1892. No leader could have borne the shock with more of an iron nerve, nor have gone to work with sterner will, than their leader. The church had recently done all it could in paying, but after the storm went to work on old debts in earnest and settled them. An appeal was made to the Church at large for help to build anew, and by their generous response, together with help from friends and neighbors, a new building was erected, and, wonderful to tell, paid for, larger, lovelier, and better equipped than the old one. The feast of dedication occurred on January 15, 1893, at which assistance was rendered by Rev. Jacob A. Clutz, D. D., of Midland College, and Rev. J. A. Lowe, of Wichita, Kansas.

The First Church of Kansas City, Mo., Rev. J. M. Cromer, pastor, was dedicated to the worship of the Triune God on April 9, 1893. The occasion was one of unusual interest and extraordinary work in spiritual things, participated in by Rev. M. Rhodes, D. D., of St. Louis, Mo.; Rev. S. B. Barnitz, D. D., of Des Moines, Ia.; Rev. Jacob A. Clutz, D. D., and Rev. W. H. Wynn, D. D., of Midland College; Rev. Geo. A. Bowers, D. D., of St. Louis, Mo.; Rev.

H. M. Geiger, D. D., of Valley Falls, Kan.; Rev. J. B. McAfee, of Topeka; Rev. W. F. Rentz, of Atchison; Rev. J. M. Ruthrauff, of Dixon, Ill.; Rev. Holmes Dysinger, D. D., Rev. F. D. Altman, Rev. J. B. Cromer, and others.

What shall be said of this temple in which we are assembled? Lift up thine eyes and behold! Her beauty and perfection shine everywhere, and speak with an eloquence that needs no aid of mine. We know something of the struggle of this church on their way thither. Here is a monument to their persistence, toil, and liberality; here stands in lasting form of architecture and coloring of art, the materialization of their leader's deep thought of mind and heroism of heart, a building with which the names of Rev. and Mrs. J. M. Cromer are inseparable and forever bound.

For all these we are filled with gratitude to God, and pray that their material glory shall be surpassed by the glorious presence of Him who filleth all things.

NEW MEMBERS RECEIVED.

On October 17, 1893, Rev. S. S. Kauffman forwarded me his letter of dismissal from the Wittenberg Synod.

MINISTERIAL CHANGES.

November 1, 1892, Rev. W. M. Sparr resigned the work at Eureka, Kansas, and has for the last year preached for them as supply.

January 1, 1893, Rev. B. F. Hills resigned the Banner City and St. James' pastorate, and on account of poor health is resting after long years of active ministry.

January 15, 1893, Rev. J. B. Umberger resigned the New Cambria pastorate and accepted a call to the churches at Valley Falls and Effingham, Kans., where he took charge February 1, 1893.

April 31, 1893, Dr. G. A. Bowers closed his very successful labors at Peabody, Kansas.

August 1, 1893, Rev. Jonas Freet, on account of poor health, resigned his work at Hardy, Neb. He visited them recently and held communion in their midst.

July 6, 1893, Rev. H. A. Koogler resigned the Chapman Charge and located as pastor of St. James and the Banner City church, September 1, 1893.

September 1, 1893, Rev. J. A. Lowe resigned the Wichita Mission on account of the financial difficulties in the way of erecting a new church.

October 1, 1893, Rev. S. S. Kauffman, of Bellville, O., entered upon his duties as pastor of St. Paul's church of Peabody, Kans.

October 31, 1893, Rev. H. L. Yarger closed his labors at Lawrence, in which he has been greatly blessed. He will return to the East in the near future.

AD INTERIM LICENSURE AND SUPPLIES.

Mr. H. Zimmerman, student of Midland College, having been engaged to supply the Barnes-Greenleaf pastorate, was granted licensure from June 6th. until the Convention of Synod. Licensure was likewise granted Rev. Edward

F. Treft on May 30th, who supplied the church of Peabody during four months.

The labors of these young brethren were attended with divine blessing.

Rev. Samuel Wood, Congregationalist, supplied the church at Salina three months.

Rev. D. Scholl has rendered valuable service at Vinland during the year.

Dr. Stough supplied Effingham several years until February 1, 1893.

DISMISSAL.

Rev. C. A. Eyler asked and on January 27, 1893, was granted a letter of dismissal from this Synod to unite with that of New York and New Jersey.

VACANCIES.

Bunker Hill, Chapman, Ellsworth, Hardy, Hayes City, Long Island, Manchester, New Cambria, Norcatur, Oberlin, Vinland, Greenleaf, and Wichita pastorates are vacant, in all twenty churches and five hundred and thirty-three members. Two-fifths of our congregations, and nearly one-fifth of our people, are as sheep having no shepherd. We have on our clerical roll the names of sufficient men to supply these places, men who have passed the prime of their strong manhood, but whose mature years, and ripe Christian character would bring blessings into every home in which they were made welcome, men who would love to spend their remaining strength in the Master's service. It is a supreme pity that on the one hand we have these vacant and suffering churches, and on the other these men not utilized.

MIDLAND COLLEGE AND SEMINARY.

Last year the College reported the largest enrollment in the history of the school. This year again comes the word, "We have opened with an enrollment of over one hundred," at least ten or twelve in advance of the opening last year. When we remember the severity of the times, this increase gives most happy surprise. The distinctive movement forward within the past year is the opening of a theological department with a class of seven excellent young men. This is especially gratifying and encouraging, as it is the crowning design of the institution. It ought to inspire the weak churches with the hope of supply, and the strong with confidence, and make the liberality of all to abound in the support of students and in the much needed Endowment Fund.

STATE OF RELIGION.

We have recently received reports from twenty-seven churches, of which four have been vacant most of the year and four have been vacant a short time, the others working in the fullness of their strength.

Attendance upon divine worship is reported as stationary by thirteen, as growing by ten, and as diminishing by one of these churches.

The majority of reports show that communicants are faithful in the use of the means of grace. About sixty-five per cent. of the children and youth attend public worship. Our congregations contain about twenty per cent. of non-professors of religion.

Five churches have been blessed with special religious awakenings and others report steady growth. Many of our churches have enjoyed the presence and work of the Holy Spirit in their midst in an unusual degree, both in the conversion of souls and sanctification and growth in grace of all membership. Three pastors report no prayer-meeting, thirteen report one, ten report two and three. When asked what per cent. of the church membership attend these meetings regularly, they reply fifty-five per cent.; but many have, perhaps, misapprehended the question. The baptism of children is by nearly all faithfully attended to; but in family worship and religious instruction in the home about half report that few attend to it, and the other half that the majority do so, although the duty is urged by the ministry in pastoral visitation, and particularly in public instruction.

The Sunday-school work is faithfully kept up. About 44 per cent. of the members of the church attend the schools, but not many of the children are out of the schools. Nineteen per cent. of the scholars are from families not professedly religious. Our own periodicals are used in all but one of our schools. The catechism is taught in one-half of them. Sixteen co-operate in mission work, four do not. All the congregations report some regular system of benevolence, and about 30 per cent. of the membership are identified with some missionary organization.

About half of the church officials are faithful in their labors. One-third of the ministry do not regularly receive their salary.

To every man his work. Whatsoever God calls thee to do in His vineyard, that is important. Let us each one feel the responsibility resting upon us. No other can do thy work, and thou canst not thyself when the night cometh. Take up the cross faithfully and bear it after the Master. His grace is sufficient for thee.

You have my grateful acknowledgment of kindness in calling me to this high office and your help in the discharge of its duties; and praying that the great Head of the Church may lead us into larger things, I herewith return the office with its responsibilities to you.

Respectfully submitted,

J. A. LOWE.

Rev. W. F. Rentz followed with an enthusiastic address, based upon Lam. iii. 27, "It is good for a man that he bear the yoke in his youth." Sound reasons were given why every church should have some such organization.

THIRD SESSION.

THURSDAY, OCTOBER 19, 1893, 9 A. M.

Devotional services were conducted by Dr. J. E. Tressler.

Opened with prayer by Rev. H. Zimmerman.

Roll call.

Minutes read and approved.

Young People's Societies.

The Young People's Societies held a meeting during the sessions of Synod to consider the propriety of organizing a Synodical Union. In a report of their proceedings we find the following: "The delegates present, numbering about thirty, were particularly anxious that this movement should not be misrepresented. The Union is not intended to inaugurate a denominational young people's organization, but to secure the co-operation of Lutheran Young People's Societies of whatever name, in our Synod and territory. Individual societies are not to be disturbed in their present name, organization or methods. All, however, are asked to join this Union of Societies, and to work unitedly for the advancement of our beloved Church."

The following resolution was presented for the consideration of Synod:

WHEREAS, There are many congregations on our Synodical territory with organizations of Y. P. S. C. E., and other young people's societies, that are doing good work in developing the young of the church, and since there are other congregations of this Synod without any such organization, and inasmuch as we feel the need of the training of the young people in every branch of Christian work:

Resolved, That we request the Synod of Kansas to endorse this organization and give it its hearty co-operation, and ask the privilege of holding our sessions the day previous to the opening of Synod, if possible, or in connection with the meetings of Synod, and that we invite all the pastors to be present at our sessions.

MRS. A. S. HARLAN,
H. L. YARGER,
JOHN HOFFER.

The organization was endorsed by Synod, and agreed that the Society should hold its sessions in connection with our meeting at Topeka, Kans., one year hence.

Historian's Report.

Being elected Historian of the Synod of Kansas two years ago, there were placed in my hands, a *blank* book, with quite a number of papers, letters, and scraps or clippings. None of these documents had ever been recorded, being left in a loose form between the leaves of the book. Shortly after being in my possession, they were utterly destroyed by a cyclone, in connection with my library, which was in the church building. The enclosed paper, sent since that time, by Rev. L. C. Groseclose of Eureka, Kans., is the only documents now extant, which can properly be called the property of Synod as pertaining to this department.

Since there seems to have been a gross neglect of duty on the part of all former officers, with no improvement in the present incumbent, and fully realizing that something definite and tangible should be done by this Synod in order to preserve our identity, we would recommend the following:

That a committee of three brethren, best acquainted with the organization and growth of the Synod, be appointed by the President, whose duty it shall be to reconstruct this department of our work, upon as solid a foundation as possible, with the understanding that all the members of Synod cooperate with them, as far as they can do so.

Respectfully submitted,

R. B. WHITEHILL.

Report adopted.

Beneficiary Committee.

The following resolution of instruction to the Calendar Committee, was offered by Rev. J. H. Stough:

Resolved, That the Calendar Committee be instructed to nominate a Beneficiary Committee, to consist of two ministers and one layman, one to hold for three years, one for two years, and one for one year, the Committee to nominate the men for the several terms.

Adopted.

Report on Last Year's Minutes.

Your Committee, having looked through the above-named Minutes, would report as follows:

1. On page 19 is an item on the appointment of a Committee to co-operate with the President of Midland College, to secure endowment funds for said institution. What has been done in this direction?

2. On page 21, we find an item making provision for the restoration of the historical matter relative to this Synod, which was lost in the cyclone at Wellington. Has this restoration been successfully made?

1. Progress.

2. It has not.

Respectfully submitted,

A. M. GEIGER,
J. SCHAUER.

Adopted item by item.

Report on Admission of Churches.

Your Committee would respectfully report that the congregation organized by Rev. J. F. Sponseller, in connection with the Minneapolis Mission, has applied for admission into this Synod.

This congregation was organized December 29, 1892, under the name of the Grace Lutheran church, with a membership of twenty-two, who adopted the Constitution recommended by the Board of Home Missions.

We recommend that this request be granted, and the congregation placed on our roll of churches.

W. L. SEABROOK,
I. B. HEISEY.

Adopted.

Report of Trustees of Orphans' Home.

Your Trustees of our Orphans' Home at Loysville, Pa., were not at its annual Board meeting, held June 13, 1893, in the main building of the Home. Distance and expenses precluded our attendance. We learned, however, from the little paper published by the Home itself, and our church periodicals, that the aggregate receipts of the Home exceeded its expectations for the year ending at that time. But a considerable part of the year's receipts was from bequests, and the State of Pennsylvania, in payment for the maintenance of its wards. This latter source of revenue now wholly ceases, as the Soldiers' Orphans have been withdrawn. The number of Church orphans on the roll, at the annual meeting of the Board, was 96, of whom 52 are boys, and 44 are girls. In addition to these there were 10 others who were not supported by the Church. There is room in the Home for many others, but the want of funds to support, precludes their being received. While we rejoice in the increased interest that is being taken in this important work by our churches and Sabbath-schools, yet it is a fact that not a single Synod contributes sufficient funds to support the orphans from its own territory, actually in the Home. We recommend, therefore:

1. That the mere pittance of 4 cents per member, apportioned to our Synod, be not regarded as all that we should do for so deserving a cause.
2. That "Children's Day" collections be more generally observed and urged, and the proceeds applied as directed by the General Synod.

Respectfully submitted,

J. E. TRESSLER,
J. M. CROMER.

Report adopted.

The Treasurer reported a surplus of \$3.78 of the funds of Traveling Missionary, which was on motion, applied to the support of Miss Kistler, our Missionary in India.

The Historian of Synod tendered his resignation, and Rev. J. B. McAfee was appointed to the office, and Revs. Dr. Martin and

D. S. Altman made assistants in gathering and utilizing such matter as might be necessary to place this department of our work in as good a shape as possible.

The following resolution was offered by Rev. H. Acker, and adopted by Synod:

Resolved, That division 16 of the By-Laws, numbered 7, be so amended as to strike out the clause "Trustees or Directors of Carthage College," and insert "Trustees of Kansas Synod."

Rev. Dr. Mitchell, pastor of the Grand Avenue Methodist church, and Revs. W. Taylor, of the Presbyterian church, and — Love, of the Reformed church, were introduced to Synod, and made corresponding members.

Report adopted.

Report of Committee on President's Report.

The President's report shows that the duties of this office have been faithfully performed. *Ad interim* license was granted to two young men to supply vacancies within the bounds of the Synod, their license to continue until the present session of Synod.

Your committee recommend that the official acts of the President during the

year be ratified. But your committee doubts the propriety of these temporary licenses, and regards them as an unwise precedent.

The larger number of vacancies is to be deplored, but the progress of the Lord's work in the charges supplied with regular ministration, is occasion for thankfulness to the Lord of the harvest.

The continued success of Midland College, and now, the connection of a Theological Department therewith, should renew confidence, encourage additional patronage, and stimulate renewed efforts for the full endowment of the institution.

Respectfully submitted,

CHAS. MARTIN,
H. L. YARGER,
C. A. HARBAUGH.

Time and Place of Next Meeting.

By vote, the Secretary was instructed to cast the ballot for Topeka as the place, and the third Tuesday of October, 1894, as the time, for the next meeting of Synod.

The Secretary was instructed to have 1,500 copies of the Minutes printed for distribution among the churches.

Adjourned with prayer by Rev. D. S. Altman.

FOURTH SESSION.

THURSDAY, OCT. 19TH, 2 P. M.

Opened with prayer by Rev. J. F. Sponseller.

Report of Committee on Conferences.

Your Committee would report that they have examined the minutes of the Eastern Conference, and find that two meetings were held during the synodical year, one at Lawrence, December 6-7, and another at Effingham on February 6-8. The minutes of these meetings show interest in the work, but contain nothing which requires to be considered by this body. The Northwestern and Southwestern Conferences held no meetings during the year.

Your Committee considers these meetings of Conferences important to the success of our work, and would recommend that the plan of holding two meetings annually be carried out whenever practical.

Respectfully submitted,

I. B. HEISEY,
H. A. KOOGLE,
DAVID SHIRAR.

Adopted.

The following resolution was offered and adopted :

Resolved, That in the notice which the Secretary of Synod sends to the church papers announcing the meeting of Synod, he also urge all pastors and delegates to secure receipts from their respective ticket agents, showing that they have paid full fare.

Report of the Delegates to the General Synod.

Your Delegates to the last meeting of the General Synod, convened at Canton, Ohio, in May of this year, are gratified at being able to report that a full delegation of this Synod, both clerical and lay, were in attendance upon the meeting of the general body.

The interval which has elapsed between the meeting of the General Synod and the meeting of this body has been of such length as permitted the publication and distribution of the Minutes of the General Synod, and thereby has brought to the knowledge of the members of this body the entire proceedings of the general body. It is therefore manifestly needless to recite to you lengthily the action of the General Synod on all the various subjects which occupied its time, since you are familiar with that action through the medium of its printed minutes.

We however call the attention of the Synod to several special facts :

1. The very wonderful growth of the Woman's Home and Foreign Mission work in the period of twelve years which have elapsed between the origination of that work in Canton, Ohio, and this meeting of the General Synod at that place.

2. To this Synod, located in a Prohibitory State, the action of the General Synod on the subject of Temperance is peculiarly welcome.

3. Our Synod will need to bear in mind the addition of a new item of apportionment in the interest of the Deaconess work; and also the increase of the apportionment for the Board of Education.

4. The revision of the Hymns and Tunes of the Book of Worship is among the notable things authorized by the last General Synod.

5. The founding of a Theological Seminary at Omaha, Neb., is one of the things the General Synod authorized the Board of Education to do. There was a provisional clause by which it was ordered that if the Board of Education finds itself unable to begin at once at Omaha, it be empowered to make temporary provision for theological instruction at Midland College, which has happily been arranged for.

6. A deficit in the apportionment of this Synod for the General Synod's Treasury, would have prevented your delegates receiving their mileage, had not the Treasurer of our Synod most generously advanced for the Synod the deficit.

7. The one and only subject on which your delegates went instructed by this body, was that of the Catechism. This we report to you as being still in the process of some species of evolution, the end of which no man knoweth.

8. The General Synod has apportioned to this Synod the following amounts

to be raised for benevolence: Foreign Missions, \$622.00; Home Missions, \$709.00; Church Extension, \$622.00; Board of Education, \$266.00; Pastors' Fund, \$145.00; General Synod Treasury, \$43.00; Deaconess Board, \$18.00.

In the opinion of your delegates, the last meeting of the General Synod was a very great blessing, for the reason, among others, that it has clearly and forcefully revealed the fact that no matter to what extent newspaper alarm may prevail touching the Common Service, the real presence, or the office of the keys, the great majority of the delegates to the General Synod, when it comes to a vote, will always stand by the General Synod's present interpretation of the Augsburg Confession, and the practice of the rites and usages which are contemporary with that doctrinal standpoint.

God bless and prosper the Lutheranism of the General Synod, and ever keep the Kansas Synod loyal to that type of Lutheranism.

Respectfully submitted,

G. A. BOWERS,
W. L. SEABROOK,
J. M. CROMER,
J. H. STOUGH,
J. F. SPONSELLER,

Clerical.

J. H. BERLIN,
H. L. LARK,
A. L. SELIG,
R. B. STORM,
CHAS. LUDWIG,

Lay.

A very interesting letter from Rev. G. A. Bowers was also read in this connection.

Theological Department at Midland.

Rev. H. L. Yarger offered the following, which was adopted:

WHEREAS, The Board of Education has seen fit to open a department for Theological instruction at Midland College,

Resolved, That we look with favor on the temporary location of the Theological Seminary at Atchison, and that we pledge the new institution our hearty support and coöperation.

Report of Advisory Committee on Missions and Church Extension.

Your Committee visited a few of the vacancies on our territory, and carried on much correspondence with all of them, and with many ministers likely to be secured as pastors or supplies. We have felt that the condition of our vacant churches cries loudly for the attention and substantial help of this Synod, for the strengthening of the things that remain. We offer the following recommendations:

1. That the Board of Home Missions be requested to continue our missions

on their funds, and coöperate with our incoming Advisory Committee to secure pastors for them as speedily as possible.

2. That feeling the cause of our many vacancies is largely owing to the fact of insufficient support, that if possible, the Board should increase the same.

3. That we reaffirm our purpose to aid the church at Wichita to the extent of \$500.00 for their Building Fund, when the money called for by them is needed, and express our earnest desire that the work go forward.

4. That the Board of Home Missions be requested to furnish the Committee a statement of the amount that may be depended upon by each vacant mission for the support of its pastor.

5. That we urge the Board of Church Extension to grant the church at Leavenworth a donation of \$300.00, on the condition that the church itself raise \$200.00 and pay their interest-bearing debt.

6. That we note with joy the fact that one of our missions, the "Children's Memorial," of Kansas City, Mo., became self-sustaining during the year.

7. That we ask the Board of Home Missions to put a General Missionary in the field, west of Salina, to serve the churches at Kanapolis, Ellsworth, Excelsior, Bunker Hill and Hayes City, until these different pastorates are able to support pastors.

Respectfully submitted,

J. A. LOWE,
W. L. SEABROOK,
J. H. BERLIN.

Report adopted.

Adjourned with prayer by Rev. F. M. Porch.

EVENING SESSION.

THURSDAY, OCTOBER 19, 1893, 7:30 P. M.

A meeting of the Woman's Home and Foreign Missionary Society was held, at which interesting papers were read and short talks made by some of the members of Synod.

FIFTH SESSION.

FRIDAY, OCTOBER 20, 1893, 9 A. M.

Devotional services were conducted by Mr. C. A. Harbaugh, after which Synod was opened with prayer by Mr. J. H. Berlin.

Roll called.

Minutes read and approved.

The certificate of Mr. J. M. Brubaker was read, and his name enrolled as a delegate from the New Cambria charge.

Report of the Auditing Committee.

Your committee appointed to audit the account of Mr. J. H. Berlin, Treasurer, have attended to that duty, compared vouchers with payments made, and find all correct, as shown in said report.

Respectfully submitted,

S. C. CHATHAM,
J. M. SEARLES,
J. E. TRESSLER.

Report adopted.

Report of Committee on Beneficiary Education.

Your Committee on Beneficiary Education would report that seven young men have been aided by the Synod during the year.

Two of these, Mr. S. M. Lesher and Mr. E. E. Schantz, have been pursuing their studies at the Theological Seminary at Gettysburg, Pa. The other five were at Midland College, and with one exception, gave evidence of faithful work done in all the departments.

Mr. Paul Tonsing, who graduated in the classical course last June, is now in the Theological department at Midland College, and will finish his studies without any further aid from Synod.

We are pleased to report that Mr. Robert Shaffer, a former beneficiary student of this Synod, is also now in the Theological department at Midland College, and desires, if possible, to finish his course without any further aid from Synod.

We are also pleased to say that the Parent Educational Society of the General Synod will take on their funds Mr. W. H. Eberhart, and we need not make an appropriation for him this year.

We have had an application for aid from Mr. George Bright, of Topeka, but have since learned that he has been provided for by private friends.

We have received applications for aid from Messrs. M. L. Sheffer, of Minneapolis, B. F. Kistler, Waterville, and J. M. Buzzard, Salina. They all come well recommended by their pastors, Dr. Clutz and others.

We are sorry to report that Mr. Frank Fleming failed to pass his examinations and has discontinued his studies.

According to the instructions given the committee by the Synod last year, the committee borrowed money from time to time to supply the students, which has cost the Synod \$13.50 interest; and we are compelled to report a deficit on last year's apportionment of \$294.00.

RECOMMENDATIONS.

1. That the deficit on apportionment for this object be raised by subscription on the floor of Synod.

2. That Mr. S. M. Lesher be granted an appropriation of \$170.00.
3. That Mr. E. E. Schantz be granted an appropriation of \$50.00.
4. Believing that it would be a more efficient method of administering the funds of Synod, as well as to relieve the students from anxiety in regard to the payment of their bills, we recommend that this Synod found scholarships at Midland College. That the benefits of such scholarships be available to young men of limited means who are preparing at Midland College for the gospel ministry of the General Synod of the Evangelical Lutheran Church in the United States of America, and whose piety and ability have been approved by the Committee on Beneficiary Education. That the money for such scholarships be paid by the Synodical Treasurer into the hands of the President of Midland College, to be expended in the payment of tuition, room rent, heat and board. That the Committee on Beneficiary Education be governed by the existing rules in granting the benefits of such scholarships to young men; and that the Treasurer be instructed to require of such young men the same legal obligations as before.
5. That Mr. E. E. Stouffer be granted the benefits of such a scholarship worth \$100.00, to be applied on the payment of tuition, room rent, heat, and boarding, as far as it will go.
6. That Mr. M. L. Scheffer be granted the benefits of a scholarship worth \$100.00, to be applied as before.
7. That Mr. B. F. Kistler and Mr. J. M. Buzzard each be granted the benefits of such a scholarship worth \$75.00, to be applied as before.
8. That Mr. E. P. Scheuler be granted the benefits of such a scholarship worth \$50.00, to be applied as before.
9. That the amount paid by this Synod annually to any beneficiary student hereafter aided, be not over \$150.00.
10. That this Synod apportion 25 cents per member on the various congregations to meet these appropriations, and that the pastors be urged to make an effort to meet this apportionment in full as soon as possible after this meeting of Synod.
11. That the Committee on Beneficiary Education be instructed to arrange to meet the obligations made in the most practical way.
12. That the Committee on Beneficiary Education be allowed to aid any other students they see fit, provided the funds be in their hands.

Respectfully submitted,

H. L. YARGER,
J. M. CROMER,
J. SCHAUER.

Report adopted.

There being quite a large deficiency in the sum total for Beneficiary Education, it was agreed to raise the amount by subscription, and the roll being called about \$100.00 were subscribed, the balance to be secured in some way through the committee.

Synod having been requested to hear a representative of the Deaconess Work in Kansas City, Kansas, and the Synod informed that the same request was made of the Woman's Home and Foreign Missionary Society, now in session in this building, it was, upon motion, agreed, that inasmuch as this has for centuries been a permanent feature of our beneficent work as a Church, that the request be granted, and the opportunity afforded at 2 p. m. to-day be shared by the ladies.

Rev. Dr. O. P. Wright, pastor of the Dundee Methodist church, and Dr. S. B. Barnitz, Western Secretary of Home Missions, were made advisory members of Synod.

Adjourned with prayer.

SIXTH SESSION.

FRIDAY, OCTOBER 20, 1893, 2 P. M.

Opened with prayer by Rev. J. Schauer.

The address of the representative of the Deaconess work, as inaugurated and carried on under the auspices of the Methodist church, in Kansas City, Kans., was listened to with marked attention. In consideration of this work of the church, see item first in Report of Committee on Resolutions.

Report of Committee on Literature.

Your committee report as follows:

There were no papers placed in the hands of your committee for review at this convention of Synod. We are glad, however, to note that our Board of Publication is largely patronized by our Synod. This is as it should be, and we do most earnestly hope that the Synod of Kansas will always be loyal to the Board of Publication. If we are correctly informed, every Sabbath-school in our Synod, save one, uses the Sunday-school literature of our Board.

We also take pleasure in recommending Rev. J. N. Lenker's book, "Lutherans in all Lands," to the favorable notice of all our people. This publication, we believe, fills a long felt want in our churches, a book full of information concerning universal Lutheranism.

In reference to the Catechism, the publication of which was authorized by the General Synod, the committee cannot but express surprise at the presumption of the Committee on the Catechism, in refusing to follow the instructions

of the General Synod, given on page 54 of the Minutes of the General Synod, wherein they were instructed to substitute for the Article on Confession as printed on pages 100 and 101, the Article on Confession and Absolution, as it appears in the previous edition of the Provisional Catechism, published in pamphlet form, which instruction they *have not followed*.

We hereby, as a Synod, express our disapproval of the course pursued by the Committee, and at the same time, declare our approval of the action of the General Synod, and loyalty to that body.

It is with great pleasure that we learn that Dr. Charles S. Albert has accepted the literary editorship of the Board of Publication.

Again, we cannot but continue to recognize the increasing value of our periodicals, especially the *Lutheran Observer*, the *Lutheran World*, the *Lutheran Evangelist*, and the *Missionary Journal*, and would urge that we, as pastors, do all we can to place one or more of these papers in every family of our congregations.

Respectfully submitted,

W. F. RENTZ,
S. S. KAUFFMAN,
D. B. PIERCE.

Report adopted.

Report of Committee on Correspondence.

Your Committee have had placed in their hands a card from Dr. Wenner, calling attention to the apportionment by the General Synod of \$1,000.00 to the District Synods for the Deaconess work. We recommend that the Committee on Apportionment distribute our share of this sum among the congregations of Synod.

Respectfully submitted,

F. D. ALTMAN,
S. C. CHATHAM,
JOHN HOFFER.

Report adopted.

Rev. H. A. Koogle presented the following:

I hereby give notice that one year hence I will offer an amendment to Sec. 2, Article IX. of the Constitution, which reads as follows: "The officers of Synod shall constitute an Advisory Home Mission Board, to look after the interests of this work in the bounds of Synod, and co-operate with the Board of Home Missions of the General Synod," to be so amended as to read, "The Synod shall elect a Standing Committee, to be known as the Advisory Board of Home Missions of this Synod, whose duty it shall be to assist vacant missions to secure supplies and regular pastors when so desired, and shall also co-operate with the Board of Home Missions of the General Synod in the management of our missionary work. This committee shall consist of three ordained ministers, to serve for three years each, one of whom shall be elected annually by ballot; the members of the first committee elected to serve for one, two, and three years respectively."

On motion, Synod adjourned to meet as Ministerium, Rev. J. M. Cromer offering the closing prayer.

EVENING SESSION.

FRIDAY, OCT. 20, 1893, 7:30 P. M.

At the evening session an interesting address was delivered by Rev. S. G. Dornblaser on Christian Education, followed by Dr. Barnitz, Western Secretary of Home Mission Board, touching the same subject as it enters into the work of Home Missions in the West.

SEVENTH SESSION.

SATURDAY, OCT. 21, 1893, 9 A. M.

Opened with prayer by the President of Synod.

Rev. H. Acker offered the following, which was adopted:

Resolved, That the Secretary of Synod be empowered to cull the contents of Synod's trunk, and destroy such documents as are not essential to the records of Synod, and also to secure a new trunk, for their safe keeping and transportation to and from Synod.

Rev. J. G. Trefz, pastor of the Lutheran church at Beloit, Kans., was received as a member of this Synod, and his name enrolled on the ministerial list.

Dr. J. A. Clutz, President of Midland College, having just arrived, was made an advisory member of Synod.

Report of Committee on Resolutions.

Your Committee on Resolutions would offer the following for your consideration:

TEMPERANCE.

WHEREAS, The liquor traffic, with its army of servants and adherents, is and has been the uncompromising foe of the Church and all her institutions, the home, and the young; a most powerful factor for corruption in public affairs, and although this Synod has at each convention passed upon this

subject in language as positive as any that can be framed, yet we deem it well once more to

Resolved, That we hereby reaffirm our previous deliverances; that we heartily endorse the strong resolution passed by our General Synod at its last convention, and that we will put forth every effort, and use every reasonable means, to overthrow the iniquity.

Resolved, That, as a Church, we deem it our duty to put forth every effort to overthrow this horrible iniquity.

Resolved, That, as Christian citizens, we endeavor to so crystallize our sentiment into law that it will soon be impossible to legally manufacture and sell intoxicating liquors as a beverage in our land.

Resolved, That we herewith petition the General Government, through our Chief Executive, that our nation co-operate in the international effort to protest against, and if possible prohibit, the introduction of strong drink into the Congo Free State and other parts of Africa.

Resolved, That all possible means be employed in the work of instructing and fortifying the young under our care against the ravages of this evil.

YOUNG PEOPLE'S UNION.

WHEREAS, A beginning has been made to organize the young people of our several churches for the work of the Church, and to combine all the existing organizations in a Lutheran Union, which leaves intact the individual organization, and as this Union comes now by resolution asking that a time and place be assigned it during the convention of Synod,

Resolved, That we assign the evening and day preceding the opening of Synod to the interests of this work.

Resolved, That we heartily endorse the effort, and will encourage it both by our presence and assistance, so far as that may be needed.

DEACONESS WORK.

Inasmuch as the Lutheran Church has been the pioneer in the deaconess work in the Protestant world and for many years the sole occupant of that ground, and since it is a work which has for more than three decades engaged the attention and enlisted the support of the Lutheran Church in America and has been established in many of our large cities, and as the work of training consecrated daughters of the Church in a work of ministry to the sick and suffering is a most noble cause; therefore,

Resolved, That we heartily commend the Deaconess work to the sympathy and support of our congregations; that we sincerely hope the apportionment made will not be neglected as unimportant because it is small.

Resolved, That we heartily rejoice in the statements made on the floor of this Synod regarding the work as it has lately been undertaken by the Methodist Episcopal Church and other denominations, and that we express our sympathy with them.

THANKS.

Resolved, That the hearty thanks of this Synod be tendered the pastor c

this church and his wife, the members and friends who have so kindly received us into their homes and so hospitably entertained us during our stay; and that the President be instructed to convey this expression of our appreciation to the pastor and people at some public service before Synod shall finally disperse.

Respectfully submitted,

J. H. STOUGH,
J. N. LENTZ,
M. F. STERLING.

Report adopted.

Opportunity was now given, and Dr. S. B. Barnitz was heard on the subject of Home Missions. Many questions were asked, and in view of the answers given, much information was obtained.

Adjourned with prayer.

Report of Committee on Leave of Absence.

Your committee report that letters, giving reasons for non-attendance, have been received from the following brethren:

Rev. G. A. Bowers, D. D., Rev. S. Henry, Rev. P. S. Nellis, Rev. S. Palmer,

The following was offered by Rev. J. M. Cromer, and adopted:

Resolved, That on the *first* communion occasion after Synod, each congregation take up a collection for Beneficiary Education.

Rev. Dr. Clutz, President of Midland College, was given an opportunity of presenting an outline of the work being done in that institution, and gave many very interesting and cheering facts, present and prospective.

Midland College Endowment Fund.

On motion, the Committee on Endowment Fund of Midland College was continued.

The following resolution was offered, and unanimously adopted by a rising vote:

Resolved, That we have learned with sincere regret that Rev. H. L. Yarger and Rev. J. G. M. Hursh, contemplate leaving our midst after this session of Synod. Their faithful service on our field has endeared them to us, and all who knew them. They have shown themselves earnest, self-denying and prudent pastors. Our best wishes and prayers will attend them in their new fields of labor.

Synod adjourned by repeating the Lord's prayer in concert.

R. B. WHITEHILL, *Secretary*.
